2. M. S. 29 Dec. 32.

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is given only when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. Registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The fourth number, completing the volume, contains a full annual index to titles and proprietors. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalogue are now as follows:

No. 2

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1931

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is given only when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. Registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The fourth number, completing the volume, contains a full annual index to titles and proprietors. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

LIST OF COPYRIGHT RENEWALS

1931
NEW SERIES, VOLUME 26
No. 3

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is given only when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. Registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The fourth number, completing the volume, contains a full annual index to titles and proprietors. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

THIS NUMBER CONTAINS THE VOLUME INDEX

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is given only when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. Registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The fourth number, completing the volume, contains a full annual index to titles and proprietors. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.
